

FIRST AID

Colville School
Cherry Hinton
Cambridge
CB1 9EJ

Dear Hugh,

I have really enjoyed doing the First Aid with you! Hope it will help me in the future as I have learnt a lot, and it might help me as I have always wanted to be doctor or nurse since I was little. (My dad's a nurse but I just want to be better than him!!!)

The best bit was when we did the C.P.R., well, I did know about C.P.R but I didn't know how to perform it on a person! Secondly, not forgetting the bandaging!! Also I did know how to bandage someone but not properly and putting the sling on!!

I also learnt NOT TO leave your casualty alone!! Thanks to you we know all this and one day we can save someone's life! I would have never checked if there was danger around! I wish there was another session so we could learn a little more but I think we will have to wait until next year!

We have appreciated you coming and teaching us this and I am so thankful, as I have never thought of doing any of this at school! I would know just this little more, maybe, when I go to secondary next year!!!

Yours Faithfully

Maryam
